# Woodbridge Classic Steel Doors

Woodbridge steel door features add up to a professional-class product. Whether you select Woodbridge Woodgrain Textured Steel or Smooth Steel, our entry systems will provide an elegant, durable and energy efficient addition to any home.

All Woodbridge Steel entry systems are ENERGY STAR qualified.

Smooth

Woodgrain Textured

## Steel Advantages

**Composite top and bottom endcaps** increase rigidity and energy efficiency.

The edges and face skin of our steel doors are one **continuous piece of steel** for strength and durability.

**Special adhesives/thermal barrier** reduce heat and cold transfer, while our exclusive tab and slot system of **mechanical interlocks** gives the door exceptional structural strength.

Woodbridge doors are **foam filled by a computer driven process** that ensures the optimal foam fill for maximum energy efficiency and strength.

To reinforce the lock and deadbolt area, we add a **rigid composite lock block** to all of our steel doors.

Our 20-gauge steel doors give you **49% more galvanized steel** than a standard 24-gauge door.

### Door Styles – Available in Smooth Finish Only

# Woodbridge Paint Finishes

Our professional 5-step paint finishing system ensures a long lasting, durable finish. Our custom door painting features the finest paint materials, professionally applied with state-of-the-art computer controlled processes and oven curing.

## 5-Step Paint Finishing System

- 1. A40 Hot-dipped Galvanized**  
300% more coating thickness than 40Z Full Electrolytic Zinc Coated steel, resisting rust inside and out
- 2. Base Coat (Prime Paint)**  
A 2-part urethane, catalyst hardened base coat is applied by a robotic reciprocating paint system
- 3. Oven-Cured**  
Base coat is oven-cured for lasting durability
- 4. Finish Coat**  
The door is then coated with a 2-part urethane, catalyst hardened finish coat using our state-of-the-art electrostatic application
- 5. Oven-Cured**  
The door is oven-cured a second time, creating a long-lasting, durable finish

Call Today! (800) 728-3502

# Woodbridge Stain Finishes

Seven colors of stain finish are available for our steel doors ranging from natural oak to dark mahogany to match your home's existing wood finish. The stains are hand-applied, oven cured and clear coated to create an entry door that has durable, real wood appeal. Woodbridge's hand-applied stain finishes are backed by a 7-year finish warranty.

## 5-Step Stain Finishing System

**1. Base Coat (Prime Paint)**

A 2-part urethane, catalyst hardened base coat is applied by a robotic reciprocating paint system

**2. Oven-Cured**

The base coat is oven-cured for lasting durability.

**3. Stain Finish**

A coating of hand-applied stain is added for enhanced beauty

**4. UV Resistant Clear Coat**

A layer of 2-part urethane, catalyst hardened clear coat with UV inhibitors is applied

**5. Oven-Cured**

The door is oven-cured a second time, creating a long-lasting, durable finish
